Emergency Grant Approved for Port Carbon Library

Schuylkill Haven, PA – The Schuylkill Area Community Foundation (SACF) approved an emergency grant to the Port Carbon Library as a result of the flood damage at the library that is located on Pike Street. The Board of Directors unanimously authorized the transfer of \$1,000 at the board meeting on November 29, 2006.

The check was presented to Janet Eich, president of the library’s board of trustees, by Eileen Kuperavage, executive director for Schuylkill Area Community Foundation. “The Foundation requests that the funding is used to cover some of the uninsured expenses the library has suffered. The Board of Directors of the Foundation supports the Port Carbon library and the community during this difficult time. We will look forward to your reopening in 2007,” said Kuperavage.

If you are interested in making a donation to the Port Carbon Library, please contact Janet Eich at (570) 622-6115 or Schuylkill Area Community Foundation at (570) 385-4180.
