## Beatrice Wasley Legacy Fund

Anne LaVoie, former resident of Shenandoah, established this fund in honor of her aunt, Beatrice. The earnings will be distributed annually to the Sisters of St. Casimir, located in Chicago, IL, to be used for personal care needs for the retired Sisters.

The motto of the Sisters of St. Casimir is: *Always more, always better, always with love.* "This motto was also well suited to my Aunt Beatrice Wasley. Through her years of work at Sol Levit's Jewelry Store, then Chaikowsky Insurance Agency, and later through retirement, Beatrice was known by all to be most gracious, considerate, and generous," said LaVoie.

A devoted member of St. George's Parish in

Shenandoah, Beatrice volunteered her time and talents for the church, the Knights of Lithuania, and the Sisters of St. Casimir Auxiliary. She would have been pleased to see a fund established to help the retired Sisters who had dedicated themselves to an Order founded in Pennsylvania to nurture a life of faith for Lithuanian immigrants.

## St. Paul's Historic Cemetery Fund

As a small, aging congregation, and in an effort to insure that the perpetual care of St. Paul's Cemetery is maintained well into the future, the congregation of St. Paul's Evangelical Lutheran Church established the St. Paul's Historic Cemetery Fund.

The creation of the fund also allows members and friends of St. Paul's to contribute to the fund directly, insuring that their donation is used for the sole purpose of maintaining, repairing, and improving the St. Paul's Historic Cemetery located in Port Carbon.

The earnings will be distributed annually to St. Paul's Lutheran Church specifically for this purpose.

## Schuylkill County Historical Society Endowment Fund

For over 110 years, the Schuylkill County Historical Society has been preserving the county's history, promoting the story of our rich and diverse heritage and the hard-working men and women who helped fuel America's Industrial Revolution. With SACF's support, the Society will continue to offer inspirational programs and exhibits for generations to come.

Plan your visit to the Schuylkill County Historical Society! The building is located at 305 N. Centre Street in Pottsville.

## Schuylkill Women in Crisis Endowment Fund

"They say it's the little things in life that count. During my stay at SWiC there were many little things that helped me, leaving me overwhelmed by the

kindnesses shown to me; however, I need to say, that the big things in life that change us forever and happen less often, are equally if not more important. The SWiC staff was right next to me through it all. My appreciation goes beyond

words. During the three worst weeks of my life, I couldn't have been in a better place, not even with friends," said a SWiC shelter resident.

This note an example of the gratitude so frequently expressed to Schuylkill Women in Crisis (SWiC) by survivors of domestic and sexual violence who use the services. Experts tell us that the most critical factor in determining how a victim recovers from trauma is the response he or she receives when disclosing the abuse.

Gratitude is also intended for the many donors who make SWiC's services possible. All contributions to the newly-created endowment fund will enable SWiC to continue services, often life-saving, that help victims transform into survivors.

SWiC works as a catalyst in fostering a community-wide response to the problem of domestic and sexual violence that prioritizes victim safety and holds offenders accountable so that the entire community can become partners in ending violence against women and children.

## John and Anna Breitigan Memorial Award Fund

John and Anna met in 1942 in St. Clair, PA. John was a native of North Braddock, PA and was stationed at Indiantown Gap. Anna was living in St. Clair. She arrived in the United States from Czechoslovakia when she was six years old. They corresponded during World War II and married in

1945 at Holy Trinity Church in St. Clair. During their 63 years of marriage they resided in Pottsville and raised a family of seven children.

Jennie Breitigan established this fund as a lasting tribute to her beloved parents.

"They remain two of the most important people in my life and the best examples of the kind of person I want to be. I am so proud to be their daughter," Jennie explained.

The awards will be distributed annually to students who are enrolled at the Joseph F. McCloskey School of Nursing and who meet the criteria established by the donor.

## Mechanicsville Ladies Auxiliary Award Fund

The fund earnings will be distributed annually as awards to Pottsville Area High School Seniors who meet the criteria established by the donors. A three-person committee comprised of the Principal of Pottsville Area High School, and a teacher and guidance counselor, selected by that Principal, shall make the recommendation of the recipients for approval by the Schuylkill Area Community Foundation's Board of Directors.

The Mechanicsville Ladies Auxiliary is no longer in existence, but its support of the youth will continue forever.

## Investment & Spending Policies

The investment objective of your Community Foundation is to build funds that will meet the community's needs today and continue funding opportunities for generations to come. The Foundation's investment and spending policies are designed to preserve the inflation-adjusted spending power of its funds.

We utilize a "Total Return" approach to guide our investing and base our spending policy on a four-year average payout. This approach has enabled the Investment Committee and Board of Directors to fund the many grants and scholarships we have provided the community.

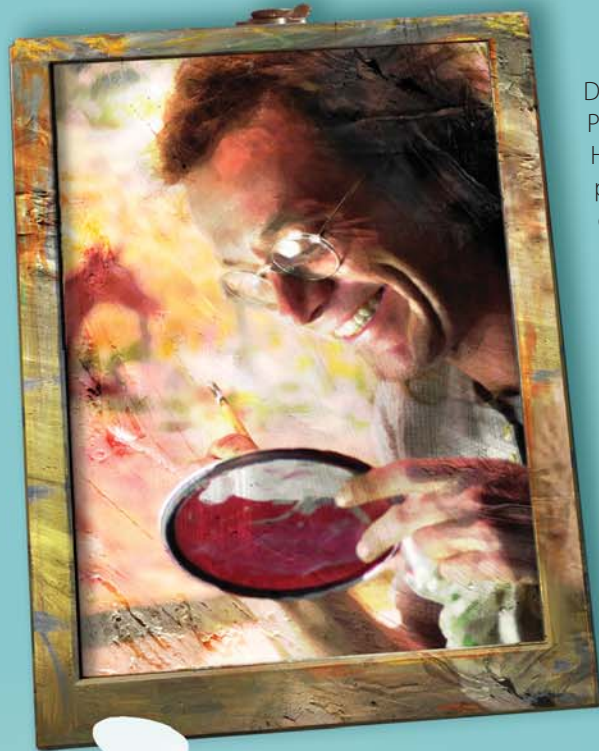

We expect to meet the future needs of the community by staying focused on our long-term objectives of the fund.

## Remembering Dave Naydock, Artist 1960-2013

Dave Naydock was born in Pottsville, raised in the Pittsburgh area, and returned to Schuylkill County in 1979. He completed over 180 murals in homes, businesses and public spaces, including two large-scale murals for the city of York, PA and a major project for the Antique Automobile Club of America Museum in Hershey, PA.

Dave was also an accomplished portrait, landscape and abstract artist with a substantial portfolio, ranging from works of classical realism to abstract expressionism, all conveyed with a gifted imagination and an exquisite command of color—quite simply, some of the best original work to emerge from this region or anywhere else in the country.

Please remember Dave Naydock on May 29, the day of Dave's birth. This is the day Mayor John Reiley declared DAVE DAY in 2013, so Dave Naydock and his work can be celebrated throughout the city annually.

DAVE DAY 2014 will begin at the Greystone Restaurant at 3:00 p.m., where visitors will be able to view works by Dave and other artists. Other downtown locations which include Sage Coffeehouse & Tea Garden, All Things Good, Mud & Maker, and Hucklebucks will be open to celebrate DAVE DAY.
